

Personal Development – Thematic Calendar 2023-2024

At Lilycroft Primary School we provide a broad range of Personal Development opportunities that support the following themes of the outdoors, arts and culture, health and wellbeing, community and aspirations. All these themes are interwoven into our curriculum offer, and we believe this encourages our children to think more critically and gain wider experiences of themselves and the world around them. Our Personal Development offer enhances children’s knowledge and understanding of subjects taught in school along with key concepts and issues within society. We are proud to offer many trips, visits and learning experiences every week at Lilycroft, that ensure our children get the best possible opportunities.

| Year Group | Outdoor  | Arts and Culture  | Health and wellbeing  | Community  | Aspirations  |
