

# Lilycroft News

Dear Parents and Carers,

Thank you to all that have attended our parents evening and all the vents that we have run in classrooms this half term. It is great to see you supporting the children and taking a positive interest in their progress and learning behaviours in school.

Just to make you aware that we have booked to have individual photos of the children on Monday 9th October.

Thanks as always for your support,

**Leah Florence**

## House results

### Well done Rashford House!

It was announced in our House Assembly and members of Rashford House, led by Mrs Holdsworth, won a freshly made candyfloss treat!

The points will now be reset for Autumn 2. Well done to everyone that has earned House Points since the start of the year. There were only 4 points between 1st and 2nd place!

## Reception Playground Update

A huge thank you for your understanding whilst we refurbish our Reception Playground. After successfully applying for some funding to support this work we are excited to say it is almost finished!

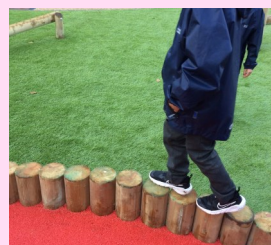

Learning through play is really important in the early years of a child's development.

We hope that this area can be used to greatly help the children with their gross motor skills. You will see plenty of opportunities to climb, dig, balance and a track to ride bikes and scooters.

The outdoor area is an extension of our indoor classrooms—we have also got special learning spaces that will be used to support early writing, maths and reading.

We hope the area will also inspire creativity, opportunities for problem solving and team work.

We are waiting for the last resources before we do an official opening!

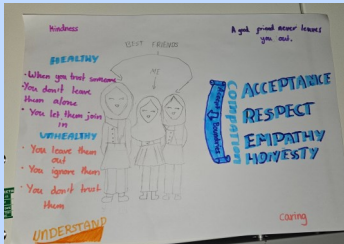

Our number one priority is to ensure that all children and adults are safe.

Please do talk to any member of our staff if you have any worries for yourself or others in the community.

## Friendship work

Year 6 welcomed visitors from BSafe and discussed healthy relationships and what a good friend looks like to them. They produced some great work exploring key qualities of a friend.

## Sports Update

On Tuesday our U11 squad from Year 5, played in a tournament against the other schools in the Priestley Academy Trust. The teams met at Manningham Sports Centre. The team played extremely well, working together and passing into space.

We are looking to get our own Lilycroft football kit. We would love a sponsor to support this—if anyone knows of anyone that would like to sponsor our team and kit—we would love to hear from you!

## Stars of the Week

Each week the teachers choose 2 stars of the week and they are given a certificate. To be a star of the week you have to have been seen doing something incredible in school. These children have done something amazing this week:
